

The Flushable Bag™

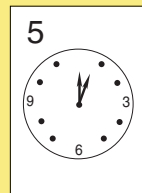

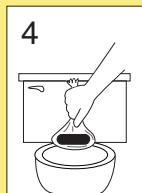

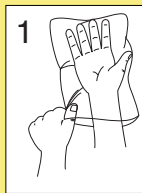

The responsible way to deal with your pet's waste

**Just Flush it
away
Bag and all**

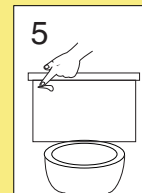

No need to hide it in the trash
or mess with dirty plastic bags.

This is a water soluble product using it in wet conditions may lead to unsatisfactory results. May be unsuitable for use in rain. The dissolve rate is increased by both available moisture and higher temperatures. Always store in an air tight container.

wait 1 minute

flush

5 Bags 7.9" x 9.8"
